

EDERA

Collezione di sospensioni in vetro disponibili nelle versioni trasparente e nei nuovi colori di tendenza pink gold e black chrome.

L'ampia gamma di sorgenti luminose e dei contenitori di alimentazione permettono la massima versatilità della collezione. La lunghezza dei cavi permette di raggiungere i punti alimentazione in qualsiasi punto siano presenti nell'ambiente. La varietà dei modelli e delle combinazioni possibili rendono la collezione ottimale per ogni ambiente, sia domestico che lavorativo.

Glass hanging lights collection available in two different versions: transparent and in the new trending colours pink gold and black chrome.

The wide range of light sources and of power containers allow the maximum versatility of the collection. The length of the cables allows to reach the power points whenever they are put in the location. The variety of the models and the possible combinations make the collection optimal for every location, whether it is home or work environment.
